**SEC. 4. NATIONAL AMNIOTIC AND PLACENTAL STEM CELL BANK.**

(a) IN GENERAL.—The Secretary of Health and Human Services shall enter into a contract with the Institute of Medicine for the conduct of a study to recommend an optimal structure for an amniotic and placental stem cell bank program and to address pertinent issues to maximize the potential of such technology, including collection, storage, standards setting, information sharing, distribution, reimbursement, research, and outcome measures. In conducting such study, the Institute should receive input from relevant experts including the existing operators of federal tissue bank programs and the biomedical research programs within the Department of Defense.

Mr. COLEMAN. I move to reconsider the vote.

Mr. BROWNBACK. I move to lay that motion on the table.

The motion to lay on the table was agreed to.

The PRESIDING OFFICER. The Senator from Louisiana.

VOTE EXPLANATION

Ms. LANDRIEU. Madam President, I want the record to reflect that I would have voted “aye” on the previous vote on S. 5 had I been able to be here. I was traveling today for a funeral and was unable to get back. Subsequently, I voted “aye” on the bill that just passed. But I would like the record to reflect that had I been able to make the first vote, I would have voted “aye.”

OBSERVING YOM HASHOAH,  
HOLOCAUST MEMORIAL DAY

Ms. LANDRIEU. Madam President, I ask unanimous consent that the Foreign Relations Committee be discharged from further consideration of S. Res. 142, and that the Senate then proceed to its immediate consideration.

The PRESIDING OFFICER. Without objection, it is so ordered. The clerk will report the resolution by title.

The legislative clerk read as follows:

A resolution (S. Res. 142) observing Yom Hashoah, Holocaust Memorial Day, and calling on the remaining member countries of the International Commission of the International Tracing Service to ratify the May 2006 amendments to the 1955 Bonn Accords immediately to allow open access to the Bad Arolsen archives.

There being no objection, the Senate proceeded to consider the resolution.

Ms. LANDRIEU. Madam President, I ask unanimous consent that the resolution be agreed to, the preamble be agreed to, the motions to reconsider be laid upon the table, and that any statements relating thereto be printed in the RECORD, without further intervening action or debate.

The PRESIDING OFFICER. Without objection, it is so ordered.

The resolution (S. Res. 142) was agreed to.

The preamble was agreed to.

The resolution, with its preamble, reads as follows:

S. RES. 142

Whereas April 15, 2007, marks the international observance of Yom Hashoah, Holocaust Memorial Day, a day to remember and mourn the millions who died during the Holocaust of World War II;

Whereas thousands of Holocaust survivors, historians, and researchers are being denied access to files, located at Bad Arolsen, Germany, that tell the story of unspeakable crimes committed by the Nazis;

Whereas the Bad Arolsen archives contain 30,000,000 to 50,000,000 pages of documents that record the individual fates of over 17,000,000 victims of Nazi persecution;

Whereas the Bad Arolsen archives are administered by the International Tracing Service, which in turn is supervised by an international commission composed of 11 member countries established by the Agreement Constituting an International Commission for the International Tracing Service, signed at Bonn June 6, 1955 (6 UST 6186) (commonly known as the “Bonn Accords”);

Whereas the member countries of the International Commission are the United States, Israel, Belgium, France, Germany, Greece, Italy, Luxembourg, the Netherlands, Poland, and the United Kingdom;

Whereas, in May 2006, after years of delay, the member countries of the International Commission commendably agreed to amend the Bonn Accords to make the Bad Arolsen archives public for the first time and agreed to place digitized copies of the documents in the archives at Holocaust research centers in other countries, including the United States Holocaust Memorial Museum;

Whereas the May 2006 amendments will become effective only after each of the 11 member countries completes the ratification process;

Whereas the United States, the United Kingdom, Israel, Poland, and the Netherlands have completed the ratification process; and

Whereas opening the Bad Arolsen archives is an urgent matter: Now, therefore, be it

*Resolved*, That the Senate—

(1) joins people around the world in observing Yom Hashoah, Holocaust Memorial Day, and mourning the millions who were lost during the Holocaust;

(2) commands the United States, the United Kingdom, Israel, Poland, and the Netherlands, as the member countries of the International Commission of the International Tracing Service that have completed the ratification of the May 2006 amendments to the Agreement Constituting an International Commission for the International Tracing Service, signed at Bonn June 6, 1955 (6 UST 6186) (commonly known as the “Bonn Accords”);

(3) calls on Belgium, France, Germany, Greece, Italy, and Luxembourg, the member countries of the International Commission that have not yet ratified the May 2006 amendments to the Bonn Accords, to do so immediately;

(4) calls on the International Commission to approve the immediate distribution of copies of the documents from the Bad Arolsen archives that have already been digitized when the International Commission meets in Amsterdam in May 2007; and

(5) respectfully requests the Secretary of the Senate to transmit copies of this resolution to the Secretary of State and to the ambassadors representing each of the member countries of the International Commission in the United States.

ADJOURNMENT UNTIL 9:30 A.M.  
TOMORROW

The PRESIDING OFFICER. Under the previous order, the Senate stands adjourned until tomorrow at 9:30 a.m.

Thereupon, the Senate, at 6:42 p.m., adjourned until Thursday, April 12, 2007, at 9:30 a.m.
